

**The Brynielsson Reunion August 3-5 2001 at Borgholm, Öland, Sweden**

Dear relative,

Anders Brynielsson and Anna Kristina Olofsdotter lived at the farm Norrgården at Svarteberga village, Rällinge parish, Öland, Sweden. From 1867 to 1887 they got 8 children, all with their first names starting with an A. Three children left for America and five stayed at home. Today we have identified more than 300 relatives, spread over the world. You are one of them!

Three years ago Joel Brynielsson (#16121) started to store relative information on an Internet web site. All relatives were sorted after the simple number system developed by Eric Brynielsson (#161) during 1970. The contacts between the relatives started to grow and today there are lots of information on the web site such as pictures, letters, and a database of all relatives, some with personal information and photo. The web site address is [www.brynielsson.jole.com](http://www.brynielsson.jole.com). To examine it in depth, you will need to use user id "\*\*\*\*\*" and password "\*\*\*\*\*". If you are interested to update you have to ask for a personal password.

Now it is time for a big family reunion. This will take place in the beginning of August 2001. We will meet on Öland to celebrate our roots and get to know each other. All relatives with family are invited and we really look forward to your participation.

The Reunion 2001 is planned as follows:
